Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the U.S. Patent and Trademark Office of all references coming to the attention of each individual associated with the filing and prosecution of the subject application which are or may be material to the patentability of any claim of the application, Attorneys for Applicants respectfully direct the Examiner's attention to the references CI - CL listed on the attached revised form PTO 1449 entitled "Supplemental List of References Cited by Applicant."
